AMITY UNIVERSITY

CASE STUDY

INTRODUCTION

For over two decades, **IRD** has created inspired interior design worldwide.

Our design and architectural expertise spans multiple industry sectors and geographies, bringing compelling and unique design solutions into the future. Collaborating with specialists, we bring together the design vision, attention to detail and technical expertise which interior environments to life.

ABOUT THIS PROJECT

IRD designed all the public areas of the campus - entrance lobby, secondary lobbies, auditorium, library, management office, student cafeteria, and student club.

Reflected the **quality of life** and **work** for **Amity students** and **educators** alike and the **pride, prestige** and **aspirational vision** of the school.

"Everyone who walks into the building says 'wow'...you did something that everyone is proud of. Students love spending time on campus and don't want to leave."

DESIGN

Working closely with the architecture and planning teams, **IRD** provided the design for all public areas. Critical to the approach was connecting common areas with students, and the designs provided simple, vibrant, flexible solutions which allows minds to think free and dream.
